

Produce Vendor Application

Contact Information

Name of Business/Farm: _____

Contact Person(s): _____

Address: _____

Miles to Fort Collins: _____

Phone Number: _____ Fax: _____

Website: _____ Email: _____

List what you intend to sell through the Fort Collins Food Coop.

Briefly describe your production practices.

Do you use genetically modified seeds or plants? Y N Describe your
pest and disease management system.

Describe your soil and nutrient management. (Do you compost, use fertilizers, green manures or animal manures on your fields, gardens or pastures?)

Describe your water usage practices. (If you irrigate, describe how - e.g. deep well, surface water, etc., and explain how you conserve water or use best management practices.)

Describe how you are protecting your water sources from contamination/erosion. What happens with water run-off from your property?)

Describe your conservation/land stewardship practices. (e.g., do you plant windbreaks, maintain grass waterways, riparian buffers, plant habitats for birds, improve soil quality, etc.)

Describe any additional information and/or sustainable practices about your operation that would be helpful to a potential customer in understanding your farm or operation better. (e.g. if you are raising any heritage animals you might list breeds or list varieties or heirloom seeds.)

Certification & Liability

List your food liability insurance coverage, both general and product-related, as well as any licenses and tests that you have available.

Is your operation subject to any certification (USDA, organic, etc.)? Y N If yes,
please explain and provide identifying information and/or a copy of the certificate.

Do you use outside services that are subject to certification (butcher, packer, etc)? Y N If yes,
please explain and provide contact information.

Please provide your Federal Tax ID number.

By submitting this application I affirm that all statements made about my farm/business and products in this application are true, correct and complete and I have given a truthful representation of my operation, practices, and origin of products. Information provided is for internal Food Cooperative's records only and will not be shared with the public.
